DESCRIPTION

The main task of the Supermoda Kft. is to find foreign clients who make orders to be produced in Hungarian factories. We mainly deal with lady's, gent's and children's garments production of textile, leather, double face /shearling or knitted materials. We take care about producing leather bags and accessories, too. The activity is taken place mainly on CMT bases. Our main markets are Italy, Germany, Austria and France. Our plants are producing high branded articles and products for well-known European boutiques.

We offer a wide range of services from preparation to manufacturing and finishing the products. We carefully follow and look after the whole production and technological process from the arrival of the raw material till the delivery of the ready products and the financial details as well. We organise the transportation of the products. We also offer interpreting services throughout the process in English or Italian language.
